## Club Update: Growing Momentum and Continued Improvements

As we move into the heart of the season, there's a lot of positive energy around Brenham Country Club. Here are a few highlights from across the club as we continue building on that momentum.

### Angela's Greenside: A Fresh Identity for a Favorite Space

We're excited about the recent renaming of the Bar & Grille to **Angela's Greenside**. This new name reflects Angela's years of dedication and the welcoming atmosphere she has created for members and guests. Updated signage and branding are underway, and this space continues to grow as a central gathering spot for the club.

### Course Software Transition

Our transition to the new ForeUp system is nearly complete. Many members have already taken advantage of the improved access and streamlined billing. **A few members still need to verify their micro-deposits** to finalize ACH billing. If you haven't done so yet, please take a moment to complete this step so we can finish setting up your account. Don't hesitate to ask for help too...

### Course Conditions & Poa Annuua Progress

Course conditions continue to improve as warmer temperatures help the bermuda push through the poa annua. The maintenance team has been working hard with targeted treatments and cultural practices to support recovery. A sincere **thank-you to our grounds crew** for their long hours, persistence, and commitment to getting the poa under control. Their efforts are making a noticeable difference, and we appreciate everything they're doing to keep the course moving in the right direction.

### MGA & LGA: Strong Participation and Growing Community

The **MGA and LGA** continue to be bright spots this season. Participation is strong, enthusiasm is high, and members are connecting more than ever. Their momentum is helping us launch **more opportunities for members to gather**, from organized

## Swimming Pool Season Off to a Strong Start

Pool memberships are coming in strong, and it's great to see so many families gearing up for summer. The pool is officially open, so **tell your friends**—it's a perfect time to enjoy the water, relax, and make the most of the season.

## Looking Ahead to Summer

With summer upon us, we're entering one of the best times of the year to enjoy Brenham Country Club. Longer days, greener fairways, and a full calendar of member activities make this a great place to golf, relax, and spend time with friends and family. We're grateful for your support and excited for everything the season has in store.
