Baylor Scott & White Central Texas Foundation - Brenham salutes our 2020 Healthcare Classic Honorary Chair:

Donald Draehn, MD

Born and raised in Brenham, Donald always knew he was destined to live and make his mark in his hometown community. He learned the value of hard work from growing up with his grandparents and parents on their farm and working various jobs during his formative years.

Donald earned his medical degree at University of Texas Medical School - Galveston and has been a dedicated practicing physician in Brenham for 42 years. He remains an active member of the Brenham community, having served on the BISD Board of Trustees, Unity Theatre Board, and hospital board. He also served as the hospital's chief of staff and President of the Brenham Clinic.

Donald was married for 46 years to Jeannie Martin until her death. He is remarried to Carol Chaney and they together have four children and three grandchildren.
